NEW PHYSICS TEACHER WORKSHOPS

SCAAPT organized a series of workshops for high school physics teachers who are new to teaching or experienced teachers who have recently been drafted into teaching physics.
STUDENT VIDEO CONTEST

- And the winner is...
LOCAL AREA NETWORKS (LANs)

LANs are intended to bring together teachers, faculty, retirees and/or non-academic professionals to share ideas related to physics and teaching, with an eye toward applying them in the classroom.

You can learn more about LANs by visiting the SCAAPT website or talking to one of the Officers. We are continuing to accept applications on a rolling basis. The online application is also on the SCAAPT website.
Whereas the definition of a member is absent from the current Bylaws, let it be resolved that we adopt the following Bylaw:

Bylaw IV- Members

- Regular and Emeritus Members are individuals who have completed the necessary application for membership and who reside in the Southern California geographic region, which is approximately defined by U. S. Postal Service ZIP Codes whose first three digits are between 900 and 935, inclusive.
- Regular members are those who have paid the required dues.
- Emeritus members are those who have previously been regular members for at least 5 years, who have reached the age of 60 years, and who are completely retired from all employment.
- Sustaining members are corporations and institutions that have furthered the work of SCAAPT through donations (either in funds or service) to SCAAPT in the last two years.

(This addition require a simple majority of those present.)
CONSTITUTION & BY-LAWS - MOTION 2

Whereas the election procedure of Officers do not specify that voting privileges are limited to those members who are present, let it be resolved that we amend Article V.2. of the Constitution to read:

These officers shall be elected at the Business Meeting in even calendar years by a majority of regular and emeritus members present at the business meeting. The term of each office shall be two years beginning at the end of the Spring Meeting.

(This change requires a 2/3 majority of those present.)
