

SCAPTI AP Physics Workshop

July 6-10, 2020

Southern California Advanced
Physics Teaching Institute

Southern California Advanced Physics Teaching Institute Summer Workshop Registration Form SCAPTI.org

Registration is Now Open!

Topics: AP Physics 1 & 2 AP Physics C: Mechanics / Electricity & Magnetism

2020 Dates: Mon-Fri, July 6-10 **Questions:** advancedphysicsworkshop@gmail.com

Location: J Serra High School – San Juan Capistrano – South Orange County

Cost: \$575, which includes free lab materials, free lunch, and free parking! Each participant will receive over \$100 in lab equipment, study materials, and a certificate.

Website: www.SCAPTI.org to **RSVP** or for more information about the workshop

Send Registration / Checks to: SCAPTI, PO Box 11032, Newport Beach, CA, 92658

Workshop Leader: *James Lincoln, MS, MEd*, is a three-time AP Exam Reader and the local AAPT Physics Teaching Resource Agent. With 15 years of experience in urban, public, and independent high schools, James is also the director of the New Physics Teacher Workshop (NPTW), which has been in service for eight years. He is also a staff writer for AAPT's journal "The Physics Teacher" and the director of the annual PhysicsCon events.

The Southern California Advanced Physics Teaching Institute provides a chance to...

- Receive top tips and handouts from Master Physics Teacher James Lincoln
- Learn useful and practical teaching strategies and ideas.
- Engage in hands-on Lab Training every day. Every Lab we discuss we try out!
- Receive Amazing Lab Materials INCLUDED for EVERY participant!
- Learn to perform the most important, engaging, and updated physics demos
- Review topics included in AP Physics 1 & 2, AP Physics C, and Honors Physics
- Your input will help shape the workshop. Get answers to your questions!
- Meet and learn from other professional physics demonstrators and teachers.
- Earn 30 training hours for salary points!
- **SAVE MONEY!** SCAPTI is lower cost and higher value than other workshops!
- Enjoy Free Parking and Lunch included every day!
- Delight in fresh and cool air conditioning!
